TANIA FERNÁNDEZ DE SOTO ESTEBAN

FRONT-END DEVELOPER

CONTACT INFO

- 634 54 21 64
- tanferest@gmail.com
- Seville

Jumping from the amazing field of Photography and having made my first steps in traditional animation, a mix between curiosity and a great desire to improve my future work has brought me closer to the IT world, where I believe that my observation skills and experience in audiovisuals can contribute a lot, and in which I hope to grow every day as a developer.

- **HTML5**, **CSS3**, **SASS**...
